

# Kids Town Konnection

## Summer Winds Down

Kids Town Learning Center  
4847 Dolton Drive  
Virginia Beach, VA 23464

Volume 2, Issue 7  
August 2010

It is hard to believe it is already August. Even though summer still has a full month left, we are finishing all of our 2010-2011 school year planning. Rooms 5 - 8 will have two parent conferences; three parent programs; and three report cards that will be sent home during the school year.

Classes 1 - 4 will continue with the 123 Read and Creative Curriculum plans. Classes 5 - 8, as part of their daily curriculum, will be participating in computer class; P.E. with Ms. Amy; learning Spanish and Sign language; all this will be in addition to their regular academics.

The staff is very excited to be working with your children. They all are working on their weekly lesson plans which will be posted on each classrooms door. This is a great conversation starter with your child. There will be a lot going on this fall and our job as teachers is to make learning interesting and fun.

Please also remember that tuition rates are going up September 7. If you did not receive a handout with the new prices, please see Patti or Shona.

Summer Camp for the "big kids" has been a lot of fun. They have traveled as far as Newport News to museums and just down the street to Larkspur Swimming pool twice a week. Everyone has made memories and lasting friends in our KTLC summer camp program.

The younger children have had several water play days which have been as much fun for the teachers as well as the children. Please make sure your child has their swim suit and towel for these special days.

Do not hesitate to contact Patti, Shona or your child's teacher if you have any questions or concerns.

Have a great month and remember back to school is just around the corner.

Sincerely,  
Patti Pirrone  
Director KTLC
